kidney collecting duct principal cell
kidney interstitial cell
kidney loop of Henle thin descending limb epithelial cell
endothelial cell
epithelial cell of proximal tubule
kidney loop of Henle thick ascending limb epithelial cell
kidney loop of Henle thin ascending limb epithelial cell
kidney collecting duct intercalated cell
cytotoxic T cell
non-classical monocyte
conventional dendritic cell
T cell
kidney interstitial alternatively activated macrophage
mature NK T cell
plasma cell
mononuclear phagocyte
monocyte
B cell
natural killer cell
plasmacytoid dendritic cell, human
mast cell
kidney distal convoluted tubule epithelial cell
podocyte
parietal epithelial cell
kidney connecting tubule epithelial cell
